I missed Pedro Bay Village Council. It is also opposed to Pebble and the road from it to Cook Inlet.

Phil,

Here is the RRC link to which I referred.

http://www.renewableresourcescoalition.org/pebble_scoreboard.htm

It appears to be more current than I had assumed. The last entry is January 2010.

Eight Tribal Councils Opposed to Pebble (six of which are clients):

1. Koliganek
2. Nondalton
3. Curyung (Dillingham)
4. Kokhanok
5. Ekwok
6. Levelock (changed from favor to now opposed)
7. New Stuyahok

8. Clarks Point

Two Tribal Councils Supporting Pebble:

1. South Naknek
2. King Salmon
